

**“Sports are more than just a workout – he’s learning skills he needs off the field, too.”**

## Sports can teach your kids important life skills:

✓ Work ethic

✓ Teamwork

✓ Leadership

**Kids and teens need at least 60 minutes of physical activity every day.**

### And sports can help them get it!

✓ Participating in sports builds activity into their routine

✓ Trying different sports can help them learn new ways to move

✓ Sports can help strengthen kids' hearts, muscles, and bones

When kids run, jump, climb, skate, swim, and play, they get the mix of activities they need to be healthy.
